

## Liverpool International College Articulation Routes and Exit Requirements

### Graduate Diploma in Science and Engineering

	Standard Entry Requirement	LIC Exit Requirement	IELTS	English Module Exit
MSc (Advanced Science)	Min 2:1 honours degree in subject related to chosen research interest.	course average (excluding English) of 60%	6.5	65%
MSc Radiometrics: Instrumentation and Modelling	Min 2:2 honours degree in physical sciences	course average (excluding English) of 50%	6.5	65%
MSc Environment and Climate Change	Min 2:2 honours degree in environmental subject (eg earth sciences, biology)	course average (excluding English) of 50%	6.5	65%
MSc Mathematical Sciences	Min 2:2 honours degree in Mathematics or mathematics as a major component	course average (excluding English) of 50%	6.5	65%
MSc Computer Science	Min 2:2 honours degree in quantitative subject other than computing	course average (excluding English) of 50%	6.5	65%
MSc Advanced Computer Science	Min 2:1 honours degree in computer science	course average (excluding English) of 60%	6.5	65%
MSc(Eng) Advanced Engineering Materials	Min 2:2 honours degree in Engineering or Science ( normally physics, materials science or chemistry) discipline	course average (excluding English) of 50%	6.5	65%
MSc(Eng) Advanced Manufacturing Systems and Technology	Min 2:2 honours degree in Engineering or Science ( normally physics, materials science or chemistry) discipline	course average (excluding English) of 50%	6.5	65%
MSc(Eng) Engineering Applications of Lasers	Min 2:2 honours degree in Engineering or Science ( normally physics, materials science or chemistry) discipline	course average (excluding English) of 50%	6.5	65%
MSc(Eng) Information and Intelligence Engineering	Min 2:2 honours degree in Electrical and/or Electronics Engineering, Computer Science, Maths or Physics	course average (excluding English) of 50%	6.5	65%
MSc(Eng) Maritime Civil Engineering	Min 2:2 honours degree in Civil Engineering	course average (excluding English) of 50%	6.5	65%
MSc(Eng) Aerospace and Mechanical Engineering*	Min 2:2 honours degree in any Engineering discipline	course average (excluding English) of 50%	6.5	65%
MSc(Eng) Microelectronic Systems	Min 2:2 honours degree in Electrical or Electronic Engineering	course average (excluding English) of 50%	6.5	65%
MSc(Eng) Microelectronic Systems and Telecommunications	Min 2:2 honours degree in Electronic Engineering - must have communications engineering	course average (excluding English) of 50%	6.5	65%
MSc(Eng) Product Design and Management	Min 2:2 honours degree in Engineering or Science discipline	course average (excluding English) of 50%	6.5	65%
MSc(Eng) Micro and Nano Technology	Min 2:1 honours degree in electronic engineering, physics, materials science, materials engineering or chemistry	course average (excluding English) of 60%	6.5	65%
MSc Addictive Behaviour	Min 2:1 honours degree in Psychology or Sociology	course average (excluding English) of 60%	6.5	65%
MSc Research Methods in Psychology (either diploma)	Min 2:1 honours degree in Psychology or Sociology	course average (excluding English) of 60%	6.5	65%
MSc Advanced Science -Bioinformatics pathway (was MSc Bioinformatics)	Min 2:1 honours degree in biological or medical sciences	course average (excluding English) of 60%	6.5	65%
MSc Evolutionary Psychology	Min 2:1 honours degree in biology, zoology, psychology or anthropology	course average (excluding English) of 60%	6.5	65%
MSc Palaeoanthropology	Min 2:1 honours degree in archaeology, anthropology, earth or life sciences	course average (excluding English) of 60%	6.5	65%
MSc Environment and Climate Change	Min 2:2 honours degree in environmental subject (e.g. Earth Sciences, Biological Sciences)	course average (excluding English) of 50%	6.5	65%
MBA Business Finance and Management (either diploma)	Min 2:1 honours degree + 2 years relevant work experience. Reference from employer required	course average (excluding English) of 60%	6.5	65%
MBA Entrepreneurship (either diploma)	Min 2:1 honours degree + 2 years relevant work experience. Reference from employer required	course average (excluding English) of 60%	6.5	65%
MBA Football Industries (either diploma)	Min 2:1 honours degree + 2 years relevant work experience. Reference from employer required	course average (excluding English) of 60%	6.5	65%
MBA Human Resource Management (either diploma)	Min 2:1 honours degree + 2 years relevant work experience. Reference from employer required	course average (excluding English) of 60%	6.5	65%
MBA Marketing (either diploma)	Min 2:1 honours degree + 2 years relevant work experience. Reference from employer required	course average (excluding English) of 60%	6.5	65%
MPA Public Administration (either diploma)	Min 2:1 honours degree + 2 years relevant work experience. Reference from employer required	course average (excluding English) of 60%	6.5	65%
MSc e-Business Strategy and Systems	Min 2:2 honours degree in management, engineering, science or related disciplines	course average (excluding English) of 50%	6.5	65%
MSc Finance	Min 2:1 honours degree in Economics, Finance, Mathematics or other quantitative subject	course average (excluding English) of 60%	6.5	65%
MSc Management (either diploma)	Min 2:1 honours degree in any discipline	course average (excluding English) of 60%	6.5	65%
MSc Operations and Supply Chain Management	Min 2:2 honours degree in management, engineering, science or related disciplines	course average (excluding English) of 50%	6.5	65%

**Liverpool International College Articulation Routes and Exit Requirements**  
**Graduate Diploma in Business and Social Sciences**

<b>Business Pathway</b>	<b>Standard Entry Requirement</b>	<b>LIC Exit Requirement</b>	<b>IELTS</b>	<b>English Module Exit</b>

MSc Human Resource Management (either diploma)	Min 2:1 honours degree	course average (excluding English) of 60%	6.5	65%
MSc Cosumer Marketing (either diploma)	Min 2:1 honours degree	course average (excluding English) of 60%	6.5	65%
MPA Public Aministration (either diploma)	Min 2:1 honours degree + 2 years relevant work experience. Reference from employer required	course average (excluding English) of 60%	6.5	65%
MSc Management (either diploma)	Min 2:1 honours degree in any discipline	course average (excluding English) of 60%	6.5	65%
<b>Law Pathway</b>				
LLM European Law	Min 2:1 honours degree. Aptitude for and interest in legal matters	course average (excluding English) of 60%	6.5	65%
LLM International Business Law	Min 2:1 honours degree. Aptitude for and interest in legal matters	course average (excluding English) of 60%	6.5	65%
LLM International Law	Min 2:1 honours degree. Aptitude for and interest in legal matters	course average (excluding English) of 60%	6.5	65%
LLM Law	Min 2:1 honours degree. Aptitude for and interest in legal matters	course average (excluding English) of 60%	6.5	65%
LLM Law, Medicine and Health Care	Min 2:1 honours degree. Aptitude for and interest in legal matters	course average (excluding English) of 60%	6.5	65%
<b>Social Sciences Pathway</b>				
MA Cities, Culture and Regeneration	Min 2:1 honours degree in a social science discipline	course average (excluding English) of 60%	6.5	65%
MA European Union Politics	Min 2:1 honours degree in Politics, International Relations, European Studies, Law, Sociology, Geography, Economics,	course average (excluding English) of 60%*	6.5	65%
MA (Research) European Union Politics	Min 2:1 honours degree in Politics, International Relations, European Studies, Law, Sociology, Geography, Economics,	course average (excluding English) of 60%*	6.5	65%
MA Politics and Irish Studies	Min 2:1 honours degree in an Arts or Social Science subject	course average (excluding English) of 60%	6.5	65%
MA Politics and the Mass Media	Min 2:1 honours degree in Politics, International relations, Communication Studies, Media Studies, Sociology	course average (excluding English) of 60%*	6.5	65%
MA (Research) Politics and the Mass Media	Min 2:1 honours degree in Politics, International relations, Communication Studies, Media Studies, Sociology	course average (excluding English) of 60%*	6.5	65%
MA International Relations and Security	Min 2:1 honours degree in Politics, International relations, European Studies, Law, Sociology, Geography, Economics, H	course average (excluding English) of 60%*	6.5	65%
MA Cinema and Politics	Min 2:1 honours degree in Film Studies, Television Studies, English, Media Studies, Culture Studies, Communication St	course average (excluding English) of 60%	6.5	65%
MA Geographies of Globalisation and Development	Min 2:1 honours degree in any social science subject	course average (excluding English) of 60%	6.5	65%
MA Population Studies	Min 2:2 honours degree in social sciences, mathematics or statistics	course average (excluding English) of 50%	6.5	65%
MA Town and Regional Planning	2:1 in a cognate discipline (e.g. geography, architecture, environmental studies) + a strong interest in how urban and rural	course average (excluding English) of 60%	6.5	65%
MA Research Methods (Town and Regional Planning)	2:1 in a cognate discipline (e.g. geography, architecture, environmental studies) + a strong interest in how urban and rural	course average (excluding English) of 60%	6.5	65%
MCD Master of Civic Design Town and Regional Planning	2:1 in a cognate discipline (e.g. geography, architecture, environmental studies) + a strong interest in how urban and rural	course average (excluding English) of 60%	6.5	65%
MSc Urban Regeneration and Management	2:1 + a proven interest in urban regeneration through degree discipline and/or work experience	course average (excluding English) of 60%	6.5	65%
MA Environmental Management and Planning	2:1 + a proven interest in environmental management through degree discipline and/or work experience	course average (excluding English) of 60%	6.5	65%
MA in Latin American Studies	Min 2:1 honours degree in a humanities or social science subject	course average (excluding English) of 60%	6.5	65%
MA in Music Industry Studies	Min 2:1 honours degree in humanities or social science subject	course average (excluding English) of 60%	6.5	65%
MA in Popular Music Studies	Min 2:1 honours degree in humanities or social science subject	course average (excluding English) of 60%	6.5	65%
MSc Research Methods in Psychology (either diploma)	Min 2:1 honours degree in psychology or sociology	course average (excluding English) of 60%	6.5	65%
MA Philosophy	Min 2:1 honours degree in a humanities or social science subject	course average (excluding English) of 60%	6.5	65%
MA Philosophy as a way of Life	Min 2:1 honours degree in a humanities or social science subject	course average (excluding English) of 60%	6.5	65%
MA Children, Policy, Practice and the Law	Min 2:1 honours degree in law, sociology, social policy or social work	course average (excluding English) of 60%	6.5	65%
MA Irish Studies	Min 2:1 honours degree in a humanitiels or social science subject	course average (excluding English) of 60%	6.5	65%

\* MA European Union Politics, MA (Research) European Union Politics, MA Politics and Mass Media, MA (Research) Politics and Mass Media, MA International Relations and Security - 2010 entry 55%, 2011 entry 60%

For the MBA (HRM) relevant work experience means: Two years of experience in a position of responsibility including supervisory/managerial experience.

For the MPA relevant work experience means: Two years of experience in a position of responsibility within a relevant organisational setting; a relevant organisational setting means a government, non-governmental, charitable or voluntary agency concerned with public service
